

Contraction **Bam!**

Laminate and cut all of the cards. Place them face down. One at a time a child picks a card and reads the word. If they can read the word they get to hold the card. If they cannot read the word it goes back face down. If someone draws the "Bam!" card all of the cards go back into the middle. The game never ends!

won't	isn't	can't	Bam!
